The Ideal Candidate

Reach out to three people not connected to Gospel Chapel and share the news—we're searching for an Executive Pastor!

WHY?

Reason 1 – Applicants referred by someone are seven times more likely to get hired than those who apply through job boards. That means your network—yes, you—is the best recruitment tool we have!

Reason 2 – An engaged church is a healthy church. When we hire the right person, we want them to know that the congregation was actively involved in the process from the start.

Reason 3 – Who knows where this could lead—or how you might grow in the process? Take a risk and let the Spirit do the rest.

HOW?

- ✓ Share on social media.
- ✓ Talk to that long-lost cousin who teaches at "ABC Seminary" or your old Bible school roommate—ask if they can help spread the word.
- ✓ Don't overthink it. Maybe the person isn't the "ideal candidate" or doesn't have management experience—but God may have plans for them at Gospel Chapel regardless. Just share!
- ✓ Remember: For the person God has in mind to answer the call, they probably first need be called. Just talk to people!
- ✓ And on top of all of this - pray. Pray for courage. Pray for open hearts, mind, and ears. Pray for the search team's discernment.

Look in the foyer for handouts and watch for this upcoming week's email for electronic material.
